WHO WE ARE

WELCOME TO PLAY, LEARN, GROW ACADEMY!

Play, Learn, Grow Academy is pleased to welcome you and your child to our program.

Play, Learn, Grow Academy is a licensed childcare by the Ministry of Education’s Licensing and Compliance Branch offering care for children ages 1.5-7 years of age.

A summary of our licensing report can be found on the parent bulletin board in our centre.

All programs are supervised by Registered Early Childhood Educators (RECEs) who maintain current training in Standard First Aid and CPR.

The Parent Handbook is available to parents considering care and upon registration at our centre free of charge to provide them with a better understanding of Play, Learn, Grow Academy. If you have any questions, please ask our centre supervisor. We will be more than happy to assist you.

THANK YOU FOR CHOOSING PLAY, LEARN, GROW ACADEMY!

CWELLC

WAITLIST POLICY

- **PLAY, LEARN, GROW ACADEMY** will strive to accommodate all requests for the registration of a child at the child care centre.
- Where the maximum capacity of a program has been reached and spaces are unavailable for new children to be enrolled, the waiting list procedures set out below will be followed.
- No fee will be charged to parents for placing a child on the waiting list.

PROCEDURES

RECEIVING A REQUEST TO PLACE A CHILD ON THE WAITING LIST

1. The supervisor or designate will receive parental requests to place children on a waiting list via telephone, in person meeting, and online application.

PLACING A CHILD ON THE WAITING LIST

1. The licensee or supervisor will place a child on the waiting list in chronological order, based on the date and time that the request was received.
2. Once a child has been placed on the waiting list, the licensee or supervisor will inform parents of their child's position on the list.

DETERMINING PLACEMENT PRIORITY WHEN A SPACE BECOMES AVAILABLE

1. When space becomes available in the program, priority will be given to children who are currently enrolled and need to move to the next age grouping, siblings of children currently enrolled, and children of staff.
2. Once these children have been placed, other children on the waiting list will be prioritized based on program room availability and the chronology in which the child was placed on the waiting list.

OFFERING AN AVAILABLE SPACE

1. Parents of children on the waiting list will be notified via a phone call or an email that a space has become available in their requested program.
2. Parents will be provided a timeframe of 15 business days in which a response is required before the next child on the waiting list will be offered the space.
3. Where a parent has not responded within the given timeframe, the licensee or designate will contact the parent of the next child on the waiting list to offer them the space.

RESPONDING TO PARENTS WHO INQUIRE ABOUT THEIR CHILD'S PLACEMENT ON THE WAITING LIST

1. The supervisor will be the contact person for parents who wish to inquire about the status of their child's place on the waiting list.
2. The supervisor will respond to parent inquiries and provide the child's current position on the list and an estimated likelihood of the child being offered a space in the program.

MAINTAINING PRIVACY AND CONFIDENTIALITY

1. The waiting list will be maintained in a manner that protects the privacy and confidentiality of the children and families on the list and therefore only the child's position on the waiting list will be provided to parents.

- Names of other children or families and/or their placement on the waiting list will not be shared with other individuals.

CHILDREN'S ARRIVAL/DEPARTURE

It is essential that the educators are aware when you arrive and when you pick up your child. Staff must mark all children in and out of care on our attendance rosters, so be sure to say hello when you arrive. Please note that a child will only be released to individuals on your Authorized Pick-up List. You may update this list at any time. Individuals picking up for the first time - or unknown to the educator - will be asked for photo ID.

LATE PICK-UP POLICY

Families with children picked up after the 6:00 pm closing time are tracked and can expect the following:

- **First Late:** A call or email from the supervisor reminding them of the service hours. ^{[[1]]}_{SEP}
- **Second Late:** A formal warning letter from the supervisor. ^{[[1]]}_{SEP}
- **Third Late:** A third late may result in termination of care from the ^{[[1]]}_{SEP} child care program or camp.
- **Should a child be left in care more than an hour after the program closes, with no communication from the parent or the emergency contacts listed, Family and Children Services will be notified by the educator.** ^{[[1]]}_{SEP}

ALCOHOL/DRUGS AND PICK UP

If a staff notices that a parent/guardian is under the influence of alcohol during pick up, staff must address the concern with the parent/guardian in a respectful manner. Staff must offer to make alternate arrangements for pick-up on behalf of the parent. If the parent is not driving and staff is concerned about the safety of the child; the recommendation is that CAS be contacted. If the parent/guardian is driving and insists on taking the child with them, staff must call 911 before they get into the car. Inform dispatch that the parent/guardian has the intent to drive while you suspect they are under the influence. Police will respond on site.

CHILD BELONGINGS

- Play, Learn, Grow Academy recommends that all children under 6 years of age have a change of clothes at the centre. Play, Learn, Grow Academy provides bedding for rest times but children are welcome to bring a small cuddly. All items brought into the centre (e.g., clothing, sleep stuffy, show and tell items, water bottles etc.) must be clearly labeled with their name or initials. Play, Learn,

Grow Academy is not responsible for loss, theft or damage of personal belongings at the centre.

- Children require appropriate footwear for the activities and weather conditions. Please note that while flip-flops and sandals are allowed inside and while on the playground, children must wear sandals with a back strap, running shoes or boots when on the playground climber and on walks.
- Diapers and wipes, if needed, must be supplied by the parent/guardian. For centre specific program requirements, please contact the centre supervisor.
- All parents are asked to send in a reusable plastic bag. This will be used to send wet or soiled clothing home for laundering.

EMERGENCY CLOSURE POLICY

Play, Learn, Grow Academy is committed to having our programs open on all scheduled days. We recognize that emergencies beyond the Centre's control such as the breakdown of essential services (hydro, heat and/or water) or inclement weather days can occur. We must consider the safety of all students and staff when we make decisions regarding full day closures or early closures due to emergency conditions.

In the event that Play, Learn, Grow Academy will need to close the centre due to any emergency condition the staff will call or email families for an early pick up. Should Play, Learn, Grow Academy be unable to open our program in the morning, a message will be left on the centre's voice mail. Parents are asked to call in to the centre on severe weather days to confirm that Play, Learn, Grow Academy is open.

Closure due to Health & Safety or other circumstances:

- Due to unforeseen circumstances, the Centre may be required to close for health or safety reasons (i.e. Illness outbreak, fire, flood, etc.)

Closure due to weather conditions:

- If the School Board determines that the schools must close early due to severe weather conditions, the Centre will advise parents to make arrangements to pick-up their child(ren) earlier than usual. If a trip has been scheduled for the day and is cancelled due to weather, the trip portion will be credited to families.

General Guidelines for Centre Closures:

- Under any of the above circumstances, if closure of the childcare centre is expected to exceed five working days, every effort will be made to move the centre to an alternate suitable location, based on Ministry of Education and the local municipal government approval.
- All decisions regarding centre closure will be made at the discretion of the Executive Director and Supervisor taking into consideration the safety and health of the children. This will be communicated to parents with as much notice as possible.

UNLESS OTHERWISE NOTED, THE FEES WILL NOT BE REFUNDED DUE TO CENTRE CLOSURES RESULTING FROM CIRCUMSTANCES BEYOND THE CENTRE'S CONTROL.

COMMUNICATION & PARTICIPATION

At Play, Learn, Grow Academy, we believe that parents/guardians play a vital role in child development. You are your child's first teacher. Educators value the partnership they build with the whole family. Parents are encouraged to share their skills and talents as a special guest or topic expert, to share their culture and to engage in dialogue about their child's development.

Educators provide a daily log via email for toddler and preschool families. Families of children in our kindergarten program will receive a personalized learning story at least once per month. In all programs, educators will post documentation of the children's learning for you to see and explore on your own and with your child.

Twice per year (in May and November), educators will provide a more formal update on your child's development. Parents are encouraged to share their own observations of their child's behaviour and development with the RECE and may request a parent/teacher interview at any time.

Annually, in the spring, Play, Learn, Grow Academy conducts a Satisfaction Survey with all families to seek valuable feedback as part of our continuous improvement plan.

You may change your consent at any time.

HEALTH & SAFETY

SUPERVISION

Play, Learn, Grow Academy has a purpose and obligation to ensure the safety and well-being of the children in its care. Our centre is equipped with a secured entrance with a buzzer access and video surveillance.

Children are supervised according to the staff to child ratios set out in the Child Care and Early Years Act (CCEYA). Play, Learn, Grow Academy has established Child Supervision policies, procedures and practices to maximize safety. Only Play, Learn, Grow Academy employees, 18 years of age and older, will have direct unsupervised access to the children in Play, Learn, Grow Academy's care. Students and volunteers, including those under 18 years of age, are an integral part of our program and support our commitment to mentoring. Students and volunteers support children under the direction of all Play, Learn, Grow Academy professionals; they are not counted as staff and are never left alone with a child/children.

RECORD CHECKS

Play, Learn, Grow Academy outlines its requirements for records checks, orientation and supervision of employees, students and volunteers through policy and procedures. A clear police Vulnerable Sector Check (VSC) is required for all employees, students and volunteers 18 years of age and older. Students and volunteers under 18 years are required, under the CCEYA, to submit an Offence Declaration. Play, Learn, Grow Academy's policies outline requirements for additional records checks at regular intervals.

POSITIVE GUIDANCE TECHNIQUES

Play, Learn, Grow Academy Child Care strives to promote and support appropriate and positive interactions that contribute to and sustain a safe, inclusive, and accepting learning environment.

Guidance techniques are related to the needs of the children in support of self-regulation and provide guidance strategies for children's behaviour to assist children in developing self-control, self-confidence, self-discipline, sensitivity in their interactions with others and ultimately social problem solving skills.

The following are taken into consideration when guiding children's behavior:

- Appropriate to the developmental level of the child
- Used in a positive and consistent manner
- Designed to assist the child to learn appropriate behaviour
- Discussed with parents

PROHIBITED PRACTICES

Under the Child Care and Early Years Act, the following are considered prohibited practices:

- a. Corporal punishment of a child;
- b. Physical restraint of a child, such as confining a child to a high chair, stroller or other device for the purpose of discipline or in lieu of supervision.
- c. Locking the exits of the centre for the purpose of confining a child in an area or room without adult supervision, unless such confinement occurs during an emergency and is required as part of the licensee's emergency management policies;

d. Use of harsh or degrading measures or threats or derogatory language directed at a child or used in the presence of a child that would humiliate, shame or frighten the child or undermine his or her self-respect, dignity or self-worth;

e. Depriving a child of basic needs including food, drink, shelter, sleep, toilet use, clothing or bedding; or

f. Inflicting any bodily harm on children including making children eat or drink against their will.

Play, Learn, Grow Academy centre supervisors — regularly monitors its programs and observes RECEs. Any use of these practices is investigated and may result in progressive discipline, up to and including termination. If you observe such practices, please immediately report them to the centre supervisor.

SERIOUS OCCURRENCES

In spite of effective supervision and all the best precautions, serious occurrences (e.g., life-threatening injury or illness, fire or other disaster on premises.) can sometimes take place. All serious occurrences are reported to the Ministry of Education. A Serious Occurrence Notification Form will be posted at the centre for 10 days following a serious occurrence to support increased transparency and access to information for parents. This posting will give parents brief information about the incident and outline follow-up actions taken and the outcomes, while respecting the privacy of the individuals involved. Longer-term actions taken by the operator will also be included to help prevent similar incidents in the future, where applicable.

Many factors may lead to a serious occurrence report. A serious occurrence does not necessarily mean that an operator is out of compliance with licensing requirements or that children are at risk in the child care program.

NUTRITION

Play, Learn, Grow Academy provides a healthy Breakfast, Lunch and PM snacks at the centre. Our in house Chef will record all temperatures of hazardous foods in a logbook prior to serving. Weekly menus are developed in consultation with Canada's Food Guide to Healthy Eating and posted in the child-care centre to assist parents in planning meals at home.

Due to severe allergies, Play, Learn, Grow Academy is designated as Allergy Safe. Educators, in partnership with parents, do their utmost to ensure children with allergies are kept safe. Allergy lists are posted in each classroom, food preparation areas and serving areas.

FOOD FROM HOME

Due to the risk of cross contamination, we ask that you do not bring food from home into the centre. If your child is arriving in the morning and is still having snack, please finish it in the car. The educators will offer them Play, Learn, Grow Academy's morning snack upon arrival.

On your child's birthday, if you wish to share something with the children, you are encouraged to consider food alternatives such as a special craft, stickers or pencils. If a food treat is your preference, speak to the centre supervisor first so we can consider any allergies in your child's room. Should an exception to our "no food from home" policy be made, please note that food sent in, must be store bought, have an ingredients label and not contain nuts or a warning that it may have come in contact with nuts.

FOOD SUBSTITUTIONS

If your child has food allergies, sensitivities or restrictions, please speak to the centre supervisor about a Food Agreement and/or providing food substitutions. Terms and conditions apply.

OUTDOOR PLAY

Research continues to promote the benefits of outdoor play and creating a connection with nature. Outdoor play inspires investigation of mind, body and senses. It not only improves physical health, but also promotes emotional well-being and increases self-regulation skills. Through outdoor play, children learn social skills such as cooperation, flexibility and problem solving. Children in full-day programs spend a minimum of 1 hour outdoors in the morning and again in the afternoon. All programs spend at least 2 hours outdoors.

Weather can sometimes limit time outdoors; however, children should come prepared to spend time outdoors rain or shine. Sometimes the most fun and learning is had jumping in a puddle after a rainfall. If outdoor time is not an option due to the weather, children will engage in gross motor activities inside whenever possible.

OUTDOOR COMMUNITY WALKS

Play, Learn, Grow Academy programs often go on neighborhood walks, visiting parks, libraries and natural outdoor areas. These outings provide children the opportunity to explore natural environments and challenge themselves through physical activity and experiences.

FIELD TRIPS/BUS RIDES

Play, Learn, Grow Academy may go on occasional field trips that require school bus transportation. Families will be notified in advance of all trip details including specific modes of transportation. Where families do not wish their child to participate in specific outings or events, it is the responsibility of the family to arrange for alternative care for the duration of those activities.

PREVENTING CHILD ILLNESS

Although some illness is inevitable in group care, our educators try to minimize this by practicing good hygiene, sanitizing toys and equipment regularly, and making daily health checks. We encourage children to participate in tidying and organizing their environment. Educators will model and support children with procedures for routine hand washing when entering the classroom from being outside, before and after food preparation, handling and eating, as well as toileting.

ILL CHILD POLICY

Play, Learn, Grow Academy Staff carry out regular health inspections of all children as they arrive each day and follow the Department of Public Health's regulations to determine any illnesses.

Your child may be refused admittance and require a doctor's note if any of the following are noted:

- unusual skin rash
- heavy mucous
- red and/or irritated eyes
- diarrhea for three days
- head lice/nits
- discharge from eyes/ears
- any communicable disease
- persistent pain
- any communicable disease
- persistent cough/Strep
- unusual/infectious looking sores

and/or any of the following symptoms:

- A cold that hinders day to day functioning
- A sore throat
- Fever
- Digestive upset– diarrhea (after second occurrence)

- Digestive upset–vomiting (after first occurrence)
- An earache
- Swollen neck glands

If the child becomes ill during the day, the parent will be contacted to pick the child up as soon as possible. It is, therefore, essential that staff be able to locate the parent(s) or designate should an illness or emergency arise. A sick child does not function well at school and his/her presence may infect others. Please be prepared for emergency care at home when necessary.

If a child is absent due to illness for 3 or more days or the child has a communicable disease such as Pink Eye, measles, strep throat etc. a Doctor's Note is required to accept the child back into the program. Play, Learn, Grow Academy does not require a note for a child who has been away with Chicken pox; however, we do require that a child not return until the spots have scabbed over.

It is Play, Learn, Grow Academy's right to refuse admittance to a child for any of the above reasons and parents must abide by such decisions.

WHEN A CHILD IS ILL

All children in attendance must be able to participate in all areas of the program, including outdoor play. If a child becomes ill, parents/guardians will be contacted to make arrangements for their child to be picked up. If necessary. In order to minimize the spread of contagious illnesses we kindly ask that parents/guardians keep their children home if they are not feeling well.

Play, Learn, Grow Academy follows exclusion guidelines for communicable diseases as set out by the Simcoe Muskoka Public Health Unit. Fact sheets are posted in the centre when there is confirmation of a communicable disease (e.g., chicken pox).

Any incidents of vomiting or diarrhea must be reported to the centre. Children should remain home until they are symptom-free for 24 hours; 48 hours if there is an outbreak.

Pediculosis (head lice) is not a regulated public health condition and, although easily spread, is not considered a communicable disease. Head lice can be transmitted through head to head contact with an infested person or through contact with personal objects (e.g., combs, hats, etc.).

- If you suspect that your child has head lice, we ask that you let us know as soon as possible. Check your child's hair thoroughly. If live lice or nits (eggs) are found, administer a treatment, (available over-the-counter at your Pharmacy or through a service). Once treatment is administered it is essential that you remove all nits since the products may not kill all of them.

The child should not return to the child care centre until a treatment has been applied as per the product instructions. Parents are also advised to continue to check their child's hair – and that of all family

members – daily for 14 days to minimize the spread.

- If an educator suspects head lice, they may contact you to request permission to check your child's hair in a private location and report their findings to you. If live lice or nits are found, your child will not be excluded from the program – as the trauma of being separated could be more harmful than the physical problems related to head lice. The educators will adjust the program, removing dramatic play clothing and hats, etc. to reduce the risk of spreading. Depending on the severity of live lice found, the educator may request an early pick up so that treatment can begin immediately.

- In addition, when lice is suspected and/or confirmed, a notice will be sent home to all parents in that group with a request that they check their child's hair thoroughly and report back using the Head Lice Parent Response form. This form asks parents to confirm that they have checked their child's hair and found no evidence of live lice or nits or that they did find some and have treated their child and agree to continue to check their child daily.

ADMINISTRATION OF MEDICATION

Play, Learn, Grow Academy Child Care is able to administer both prescription and non-prescription medication. It is preferable however that the children receive all medication at home, if at all possible. If your child requires medication by injection (e.g., insulin), please speak to the centre supervisor as additional terms, conditions and training on your child's Individual Care Plan is required.

Prescription and over-the-counter medications for acute, symptomatic treatment will only be administered to a child where a parent of the child has given written authorization to do so by completing the child care centre's Authorization for Medication Administration. The Authorization for Medication Administration form must be accompanied by a doctor's note for over-the-counter medications.

All medication must be taken home by the parent each night except in the case of medications required for life threatening situations^{SEP} (e.g. asthma medication, Epi-pens, etc) These medications will be checked monthly for expiration dates. All medication will be stored as directed and is kept in a locked container at the centre.

INJURY & INCIDENT REPORTING

In spite of effective supervision practices and all the best precautions, an incident or injury may still occur. When minor incidents (e.g., scrapes, bumps, behavioural concerns) do occur, the educators will reassure the child, provide first aid if needed and complete an Incident Report. These reports explain the incident in

detail. You will be asked to review it upon pick up and to sign the Report by acknowledging Play, Learn, Grow Academy its receipt. A copy will be provided or emailed to you.

If medical attention is required, the educators will consult with you and/or call for emergency services as needed.

If you take your child to see a medical professional (e.g., doctor, dentist) in response to an incident that occurred at Play, Learn, Grow Academy, please follow up with ^[1]_{SEP} the centre supervisor to confirm the details of that visit and any medical treatment provided. The Incident Report may need to be updated and the supervisor can inform the educators of any recommendations or accommodations required for a safe return to the program.

PROFESSIONAL DUTY TO REPORT CHILD ABUSE

Employees of Play, Learn, Grow Academy have a duty to report any cases of suspected or known child abuse. Our responsibility to report a child in need of protection falls under s.72(1) of the Ontario Child and Family Services Act (OCFSA). It is the responsibility of every person in Ontario, including all professionals involved with young children to immediately report to a children's aid society, (i.e., Family and Children's Services) if there are Reasonable Grounds to suspect abuse or neglect. It is not an individual's responsibility to determine if abuse or neglect is occurring. It is an offence for a professional to not report a suspicion of abuse or neglect.

Confidentiality of the child and family, other than to Family and Children's Services (F&CS) and/or the Police, will be respected at all times.

EMERGENCY MANAGEMENT

Play, Learn, Grow Academy has a policy on unexpected centre closures. In adverse weather conditions, parents are advised to listen to local radio stations and monitor Play, Learn, Grow Academy's website or Facebook page for notices of an unexpected centre closure. Should a closure be necessary mid-day, educators will contact parents by phone to notify them of the early closure and request pick up.

Play, Learn, Grow Academy's educators are trained in emergency preparedness and response in relation to fire, tornado and lock down procedures. Throughout the year, children and educators will participate in fire, lock-down and tornado drills and discuss our procedures. Play, Learn, Grow Academy has a designed gathering area to use during an emergency evacuation. An attendance check and head count is conducted by the educators to confirm that all children and staff are accounted for. Parents are notified by a written

posting and/or through email of various drills or false alarms.

Should an emergency situation arise that requires the children and staff to vacate the building for a longer period of time, it may be necessary for the group to move to the designated emergency shelter. Once children have been reassured and settled, educators will contact parents by phone to advise of the need for an early pick up and advise of the location. Additional communication and updates may be provided by email from the centre or Play, Learn, Grow Academy's administration office.

During ongoing emergency situations (e.g., lock down, tornado), Play, Learn, Grow Academy will make every effort to provide timely communication with parents via phone and/or email. Parents are advised to limit phone calls to the centre during an ongoing emergency situation to leave lines open for emergency personnel. An alternate number may be provided to support communication during such situations.

TERMINATION OF CHILD CARE

Play, Learn, Grow Academy recognizes that a child care centre is not always appropriate for all children. Many supports are put into place to create a happy and successful placement for all children. In cases of severe behaviour issues, it may be necessary to terminate the child care space. A decision to terminate a child's space will be made in consultation with parents. Play, Learn, Grow Academy's priority is for the safety of all children in its programs.

Should the supervisor of the program, in consultation with the director, determine that a child cannot adjust to the program, or if the parent has not upheld the terms of the Child Care Contract, termination of services may occur.

The process of termination for all children will include any or all of the following steps:

Documentation of all incidents (filed)

- Meeting with appropriate parties
- Consultation with outside agencies
- Referral to an outside agency
- Suspension
- Removal from the program
- Notification to appropriate government agencies (e.g. Children's Services Consultants)

The safety of all children is our primary concern. The provision of our service is conditional upon the compliance of parents and children with our Code of Conduct outlined in the Child Care Contract. If it is determined that we can no longer provide care, a signed, written notice of permanent withdrawal will be provided to a family one month in advance. However, behaviour that poses a safety hazard will not be accepted and may result in immediate termination of service.

Play, Learn, Grow Academy believes in providing and maintaining a work environment in which all employees are free from violence, threats of violence, intimidation, bullying, unkind comments and other disruptive behaviour or ^{SEP}actions which belittle, threaten, offend, embarrass, humiliate or diminish another's self esteem, whether deliberate or unintentional, including sexual harassment and discrimination. Such actions are not tolerated, will be addressed immediately and may result in the termination of child care spaces or other consequences (e.g., police contact).

Failure to comply with Play, Learn, Grow Academy policies, including payment provisions, may, in Play, Learn, Grow Academy's sole discretion, result in termination of space in the child care centre.
